

AED Deployment

Zdeňka Kubíková
Masaryk University, Faculty of Sports
Studies

Aims of cooperation

1. Information exchange regarding the AED deployment experience in the Czech Republic and Norway
2. Research study
 - the public attitude to AED
 - willingness of the public to use AED

Based on the research results to design and undertake education programmes for various age groups (especially e-learning courses)

Experience of FSpS, MU

In cooperation with

- EMS SMR, CRC (ERC) , Brno City Municipality, Brno University of Technology, Alfa-Helicopter

Pilot AED Deployment in Brno
