"These 2 weeks will stay in my mind for a long time. It was for me, above all, a human experience, where young people from different countries shared their European life with others. We all learnt a lot. We had to deal with foreign languages, and personally speaking, I improved my foreign languages [..]. To sum up, I lived a dream I won't forget!"

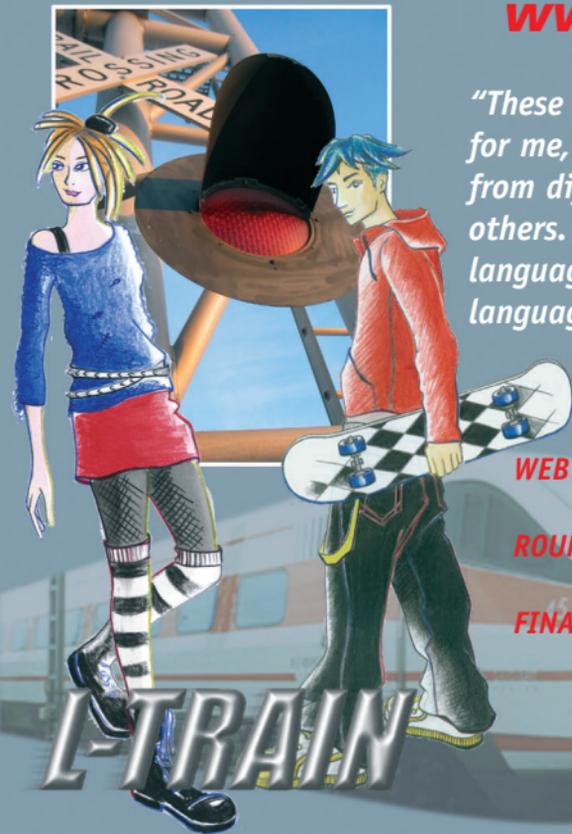

(L-Train participant 2004 Sylvain Ballut from Belgium)

WEB GAME: web game between 1 April and 31 May 2005

ROUND 2: selection between 31 May and 30 June 2005

FINAL ROUND: L-Train journey from Prague to Cork between 24th September - 9th October 2005
