Czech Republic

- Using synergy
 - Czech – German bilateral call for EUREKA project applications and
 - 8th National call INTER-EUREKA
- Participants have to submit the national application to the MEYS according to the rules published on **<http://www.msmt.cz/vyzkum-a-vyvoj-2/inter-eureka>**.
- Completed project agenda must be submitted in one phase of the national call (it means CZ Application Form, Eureka Project Form and Cooperation Agreement)

Germany

- Detailed requirements and regulations for applications are available at **<https://www.bmbf.de/foerderungen/bekanntmachung-XYZ.html>**
- Contacting DLR-PT for further information regarding the funding criteria
