

## U.S. Exchange Opportunities for Czech High School Students!

Would you like to study or do a short-term leadership program in the United States? Check out these fully-funded opportunities for Czech secondary students.

- **FLEX (Future Leaders Exchange Program)** – High school students aged 14–17 spend a full school year at a U.S. high school and live with a host family.  
Applications: September

- **Benjamin Franklin Transatlantic Fellowship** – Four-week summer exchange program in the United States for students aged 16–18. Participants will explore transatlantic relations, leadership development, critical thinking, diplomacy, community activism, and the media.  
Applications: February

- **Women2Women** – 10-day leadership program in the United States each summer for girls aged 15–19.  
Applications: March/April

- **EducationUSA** – U.S.-government funded advising center, providing free information and counseling about opportunities to study at accredited postsecondary institutions in the United States.

## U.S. Exchange Opportunities for Czech University Students!

Would you like to study, work or do a short-term leadership exchange program in the United States? Check out these opportunities for Czech university students and young adults.

- **EducationUSA** – U.S. government-funded advising center, providing free information and counseling about opportunities to study at accredited postsecondary institutions in the United States.

- **Summer Work Travel/BridgeUSA Programs** – University students can gain work experience, practice English, get paid, and see the United States!  
Applications: From September till December

- **SUSI Madeleine K. Albright Young Women Leaders Program** – Provides women 18-25 years old with the opportunity to study public policy at the University of Kansas.  
Applications: December through the Fulbright Commission

- **YTI** – The Young Transatlantic Innovation Leaders Initiative is for emerging entrepreneurs from Europe ages 25-35. As part of a year-long program, you will spend several weeks during the spring in the United States to develop your skills and network with your business counterparts.  
Applications: December

- **IREX CEE (Community Engagement Exchange)** – CEE is a year-long transformational leadership development experience, which includes a three-month practicum in the United States, designed to enable civil society leaders, ages 21-28, to harness the power of networks, relationships, and much more.  
Applications: July
