U.S. Exchange Opportunities for Czech University Students!

Would you like to study, work or do a short-term leadership exchange program in the United States? Check out these opportunities for Czech university students and young adults.

- **EducationUSA** – U.S. government-funded advising center, providing free information and counseling about opportunities to study at accredited postsecondary institutions in the United States.

- **Summer Work Travel/BridgeUSA Programs** – University students can gain work experience, practice English, get paid, and see the United States!
Applications: From September till December

- **SUSI Madeleine K. Albright Young Women Leaders Program** – Provides women 18-25 years old with the opportunity to study public policy at the University of Kansas.
Applications: December through the Fulbright Commission

- **YTI** – The Young Transatlantic Innovation Leaders Initiative is for emerging entrepreneurs from Europe ages 25-35. As part of a year-long program, you will spend several weeks during the spring in the United States to develop your skills and network with your business counterparts.
Applications: December

- **IREX CEE (Community Engagement Exchange)** – CEE is a year-long transformational leadership development experience, which includes a three-month practicum in the United States, designed to enable civil society leaders, ages 21-28, to harness the power of networks, relationships, and much more.
Applications: July

Free Resources for Teachers!

The U.S. Embassy has many free resources to help with English teaching or to help Czech students learn more about the United States.

School Visits – Host a U.S. diplomat at your school or bring your class to an American Center for a talk on the United States.

America on Wheels – Request a visit of our mobile “American Center” where students can talk with a diplomat and engage in fun and enriching activities.

American Centers – Offering English conversation clubs, film screenings, lectures, workshops, English language books, and other resources.
