Dear Colleague

The Chemnitz University of Technology is hosting the international congress "Ideas of Europe | Ideas for Europe", in co-operation with academic institutions within Europe and abroad. The congress will take place in Chemnitz, 6-9 May 2009, under the patronage of the President of the European Commission, Mr José Manuel Barroso. Mr Barroso will be awarded the academic degree Honoris Causa from the Chemnitz University of Technology during the congress.

Internationally renowned experts in the humanities and social sciences will meet to discuss heterogeneous concepts of European identity from Antiquity to the 21st century. Please find enclosed the poster and flyers of the congress. For further information (e.g. programme, abstracts), please refer to the congress website (www.tu-chemnitz.de/ideaseurope) or contact us.

The conference will be held at the Chemnitz University of Technology. Chemnitz is located in the heart of the enlarged Europe and the university specialises in European Studies. With its extensive network of European contacts, the Chemnitz University of Technology is an ideal host for this event.

We are now accepting registrations. Please find enclosed the registration form (also available at the congress website under "Registration"). We would be very grateful if you could pass on the flyers to other interested academics.

With best regards on behalf of the Organising Committee
